The Chai Center is proud to start its 3rd year Kollel program.

Kollel Beth Yossef caters to young workers, professionals and business people who are dedicated to keeping a serious learning schedule in an authentic yeshiva environment.

The schedule includes a Sunday program from 8:00 am to 2:00 pm and a night program on Mon-Thur from 7:30 pm to 9:30 pm.

Professional teachers will be on the premises to ensure quality, responsible and consistent schedules. The avrechim (students that are married) will be paid a stipend for the time they spend at the Kollel as well as to ensure the commitment and thoroughness of their learning. Unmarried students are also invited to join the Kollel program.

The students will form a nucleus for a wide range of unofficial visitors that will come and join some of the classes on a volunteer basis, making fruitful learning relationships, thus turning the Kollel into a large learning center.

If you consider yourself a candidate, please fill out the following application and fax to 514-344-1700 or submit it in person to Rabbi Maimon Pinto (call 514-966-9770.)

Applications will be accepted starting from **21 Elul (September 21)** and the chosen avrechim will be notified by **20 Tishrei (October 19)**.

Learning Seder will begin on Sunday, **27 Tishrei (October 26)**, following Shabbat B'reishit.
